

## SUSTAINABILITY

### HOW YOU CAN CONTRIBUTE

By choosing a product from Lundhags, you also get the opportunity to contribute to a more sustainable outdoor product consumption. We work with sustainability by developing high quality products that lasts for a long time if cared for. Longer product life span decreases the need for mass consumption.

### PRODUCT CARE

To make your new product last as long as possible, we recommend handwashing it with mild soap and water after use.

**TOKO**

For this product we also recommend "TOKO Tent & Pack", an easy applicable spray. It creates a waterproofing layer as well as increasing dirt resistance, making the pack easier to clean and to keep in good condition for a long time.
