HOW YOU CAN CONTRIBUTE

By choosing a product from Lundhags, you also get the opportunity to contribute to a more sustainable outdoor product consumption. We work with sustainability by developing high quality products that lasts for a long time if cared for. Longer product life span decreases the need for mass consumption lower.

PRODUCT CARE

To make your new product last as long as possible, we recommend handwashing it with mild soap and water after use.

TOKO

For this product we recommend "TOKO Tent & Pack", an easy applicable spray. It creates a waterproofing layer as well as increasing dirt resistance, making the pack easier to clean and to keep in good condition for a long time.
